

Vacancy Announcement

A Research Project titled, “*Carbon Based Materials Derived from Metal-Organic Frameworks (MOFs) and their Application in Electrochemical Supercapacitors,*” funded by the East West University Center for Research and Training (EWUCRT) is seeking applications for the following tenured positions. This is a 06 (six) months project.

Research Associate/ Research Assistant:

Duties and Responsibilities:

- Conduct experiments for the hydrothermal synthesis of Metal Organic Frameworks (MOFs), MOF derived carbons (pyrolysis), and electrochemical analyses

Qualification:

- M.Sc./B.Sc. from any reputed University with minimum CGPA of 3.00

Experience:

- Experience in high temperature hydrothermal synthesis and pyrolysis will be given priority.

Job Type & Duration: Renewable contract of six months from the date of appointment

Remuneration: BDT 15,000/- per month

Deadline: Friday, 10 February 2023

Application Procedure

Interested candidates should submit an application to Dr. Md. Nazmul Abedin Khan, Principal Researcher at nazmul.ch@ewubd.edu with a current CV by 10 February 2023. Applicants must mention the name of “Position” in the subject line of email.

NB: Only shortlisted applications will be contacted for the next round of selection.
